30 Rounds

A 30 minute unique class that incorporates a combination of strength, kick boxing and cardio bringing your workouts to the next level. Individual and partner, work in this high intensity interval training will allow you to get your heart rate up and your tension out in a non competitive fun atmosphere for all Fitness Levels. Kettle Bells and TRX Suspension Training will also be used in this high intensity training.

Boot Camp

Challenge your strength and endurance while burning calories. Boot camp exercises are great for fat & weight loss, endurance and fitness. Also improve other areas including balance, stability, flexibility, agility and posture. Beginners to advanced.

Fat Burn Circuits

Burn extreme calories in just 30 minutes. Class will consist of strength, Cardio intervals, core work and more. A variety of equipment, TRX, kettle bells, Bosu and stability balls, stairs and more will make this workout fast and fun!

Group Cycling

Feel motivated by the energy of the class as you burn calories and build endurance. This class is an exciting, low impact option on a stationary bike, with a high level cardio workout.

Senior Fitness

Improve strength, tone, flexibility, cardiovascular endurance, and range of motion with low impact exercises using a variety of chair based and standing movements.

TRX

TRX delivers a fast, effective total-body work out that benefits people of all fitness levels. Suspension Trainer is the original, best-in-class workout system that leverages gravity and your bodyweight to perform exercises to increase muscular endurance, a solid core and overall muscle tone.

Tone, Tighten & Strengthen

This multi-level class is for anyone who wants to develop muscular strength and endurance and increase lean mass. We'll tackle "basic" resistance training exercises using traditional, strategic principles. An easy to follow workout challenges every major muscle using a variety of equipment.
